

## **Additional Terms and Conditions for Mimecast CyberGraph™ Services**

These Additional Terms and Conditions for Mimecast CyberGraph Services (“**CyberGraph Terms**”) govern Customer’s use of the Mimecast CyberGraph Services (f/k/a MessageControl Codebreaker and Silencer), MessageControl Gatekeeper, Cybergraph Controlled Availability, Cybergraph for SEG, and Misaddressed Email Protect Services (the “**Additional Services**”) and are an addendum to and form part of the Customer’s services agreement with Mimecast which is in place between the parties or which will be executed concurrently with these CyberGraph Terms (the “**Agreement**”).

If there is any conflict between these CyberGraph Terms and the Agreement (and, if applicable, the DPA, which is defined below), then these CyberGraph Terms shall take precedence, with regard to the Additional Services. Any capitalized terms not otherwise defined herein shall have the same meanings as those noted in the Agreement and the Additional Services are “Services” within the meaning of the term used in the Agreement.

**1. Additional Services.** The Additional Services are designed to help protect Customer from identity attacks by seeking to identify misaddressed emails and risks within email content and by intercepting embedded email trackers. Customer acknowledges that the certifications, attestations, and assessments listed on Mimecast’s Trust Center may differ for the Additional Services.

**2. Additional Customer Responsibilities and Restrictions.** Customer is responsible for (i) obtaining and maintaining any Equipment needed to connect to, access, or otherwise use the software and software services (“**Equipment**” shall include equipment and ancillary services including, but not limited to, modems, hardware, services, software operating systems, networking, web services, and the like); (ii) ensuring the Services meet Customer’s regulatory requirements including without limitation, requirements and obligations with regard to data privacy and employment laws; (iii) obtaining all necessary consents, permissions and authority from individuals or regulators in respect of all Customer Data, including, where applicable, Personal Data transferred, processed and/or analysed in the use of the Services, including the right for Mimecast to use such data in the preparation of reports and analyses. In addition to any indemnification obligations contained in the Agreement, Customer will hold harmless, defend and indemnify Mimecast in the event of any third-party claim or regulatory action arising out of (i) Customer’s breach (or alleged breach) of this Section 2; (ii) Mimecast’s compliance with any Instructions or directions provided by Customer.

**3. Disclaimer for Additional Services.** WITHOUT LIMITING MIMICAST’S EXPRESS OBLIGATIONS HEREUNDER, MIMICAST HEREBY DISCLAIMS ALL GUARANTEES, CONDITIONS, WARRANTIES AND REPRESENTATIONS, IMPLIED, STATUTORY OR OTHERWISE CONCERNING ANY ADDITIONAL SERVICES PROVIDED BY MIMICAST, INCLUDING BUT NOT LIMITED TO, THOSE IMPLIED WARRANTIES OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT. THE ADDITIONAL SERVICES DO NOT QUALIFY AS LEGAL OR EXPERT ADVICE. CUSTOMER SHOULD CONSIDER WHETHER THE ADDITIONAL SERVICES ARE APPROPRIATE FOR CUSTOMER’S NEEDS, AND WHERE APPROPRIATE, SEEK LEGAL OR EXPERT ADVICE. MIMICAST DOES NOT REPRESENT THAT THE ADDITIONAL SERVICES WILL ACHIEVE INTENDED RESULTS, BE UNINTERRUPTED OR ERROR FREE OR MEET CUSTOMER’S REQUIREMENTS. CUSTOMER ACKNOWLEDGES AND AGREES THAT REPORTS, GRAPHS, ANALYSES OR SIMILAR INFORMATION (COLLECTIVELY “**INFORMATION**”) PROVIDED AS PART OF THE ADDITIONAL SERVICES, ARE BASED ON INFORMATION KNOWN TO MIMICAST AT THE TIME AND IS PROVIDED FOR CUSTOMER’S INTERNAL BUSINESS PURPOSES ONLY. MIMICAST WILL USE ALL REASONABLE EFFORTS TO PROVIDE ACCURATE AND UP-TO-DATE INFORMATION BUT MAKES NO GUARANTEE AS TO THE ACCURACY OR COMPLETENESS OF THE INFORMATION PROVIDED.

**4. Export Restrictions.** Customer will not be permitted to remove or export from the US or allow the export or re-export of anything related to the Additional Services, or any direct product of the Additional Services in violation of any applicable restrictions, laws or regulations of the United States Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control, or any other United States or foreign agency or authority, including the United States Export Administration Act.

**5. Threat Data, Machine-Learning Data and Aggregated Usage Data.**

**5.1. Customer Data.** The parties acknowledge and agree that Mimecast has no ownership rights to Customer Data. In accordance with the Agreement and any Data Processing Agreement (“**DPA**”), Customer hereby grants to Mimecast a worldwide, irrevocable license to collect and process Customer Data, including certain Customer Data within Machine-Learning Data (as defined below), as well as Threat Data (as defined below) for the purposes of: (i) providing the Services; (ii) improving threat detection, analysis, awareness, and prevention; and/or (iii) improving and developing the Services.

**5.2. Threat Data.** As part of the Services, Mimecast processes certain data reasonably identified to be malicious, including, without limitation, data which may perpetuate data breaches, malware infections, cyberattacks or other threat activity (collectively, “Threat Data”). Mimecast processes Threat Data primarily through automated processes and may share limited Threat Data with third parties within the cybersecurity ecosystem for the purpose of improving threat detection, analysis and awareness. Threat Data is not Customer Data but may include Personal Data.

**5.3. Machine-Learning Data.** Through automated processes designed to develop and improve our machine learning algorithms within Services, Mimecast processes certain Customer Data and other data that describes and/or gives information about Customer Data, including but not limited to metadata, files, URLs, derived features and other data (“Machine-Learning Data”). We do not share Machine-Learning Data with Third Parties. Machine-Learning Data does not include full message content of Customer Data.

**5.4. Aggregated Usage Data.** Mimecast processes certain aggregated data derived from the Services, including usage data, such as utilization statistics, reports, logs and information regarding spam, viruses and/or other malware (“Aggregated Usage Data”). Mimecast owns all Aggregated Usage Data.

**6. Data Processing Agreement.** If the Customer has not executed a DPA with Mimecast, Customer acknowledges and agrees that Personal Data is not processed through the Services and/or the Additional Services.
