Verizon DBIR 2018

“We have found the Mimecast Web Security service easy to setup and deploy, we love that it's integrated with the existing Mimecast administrative portal and email security service and are happy with the extra security provided by using it.”

DAVID BOLTON, SENIOR TECHNICAL ANALYST,
BIELD HOUSING & CARE

“It's critical to our primary educational objectives that our staff and students are protected from malicious email attacks and web sites or inappropriate web content.”

EMEKA IBEKWEH, MANAGING DIRECTOR OF
TECHNOLOGY, ASCEND LEARNING

“There is growing desire by many security professionals to consolidate and use integrated cloud services that make management and operation simpler and more effective.”

SCOTT CRAWFORD,
RESEARCH DIRECTOR, 451 RESEARCH
